**UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA**

MARIJA ANDESILIC, et al.

Plaintiff(s),

v.

NEWELL BRANDS INC.

Defendant(s).

Case No. 2:25-cv-03736-HDV-SK

CIVIL STANDING ORDER

PLEASE READ THIS ORDER CAREFULLY. IT GOVERNS THE CASE AND DIFFERS IN
SOME RESPECTS FROM THE LOCAL RULES.¹

Both the Court and all counsel bear responsibility for the progress of litigation in this Court. **“Counsel,” as used in this Order, includes self-represented parties.**² To secure the just, speedy, and inexpensive determination of every action, all counsel are ordered to familiarize themselves with the Federal Rules of Civil Procedure and the Local Rules of the Central District of California. FED. R. CIV. P. 1.

UNLESS THE COURT ORDERS OTHERWISE, THE FOLLOWING RULES APPLY

I. SERVICE OF THE COMPLAINT

The Plaintiff shall promptly serve the Complaint in accordance with Federal Rule of Civil Procedure 4 and shall comply with Local Rule 5-3 with respect to all proofs of service. Any defendant, including any “Doe” or fictitiously named defendant, not served within 90 days after the case is filed shall be dismissed pursuant to Fed. R. Civ. P. 4(m).

II. REMOVED ACTIONS

Any answers filed in state court must be refiled in this Court as a supplement to the Notice of Removal. Any pending motions must be re-noticed in accordance with the Local Rules. If an action is removed to this Court that contains a form pleading (i.e., a pleading in which boxes are checked), the party or parties utilizing the form pleading must file an appropriate pleading with this Court within thirty (30) days of receipt of the Notice of Removal. The appropriate pleading referred to must comply with the requirements of Fed. R. Civ. P. 7, 7.1, 8, 9, 10 and 11.

¹ A copy of the Local Rules for the Central District of California may be accessed at <https://www.cacd.uscourts.gov/court-procedures/local-rules>

² This Court does not exempt “pro se” parties—that is, parties who are not represented by an attorney—from compliance with the Federal Rules of Civil Procedure or the Local Rules. *See* L.R. 1-3 and 83-2.2.3.

III. APPEARANCES BY COUNSEL

#80

The Court is committed to fostering the development of new and diverse lawyers in the legal community. Consequently, the Court strongly encourages litigants to provide opportunities for less experienced lawyers or lawyers whose identities and/or backgrounds further the diversity of the legal profession to conduct hearings before the Court, particularly where they contributed significantly to the underlying motion. To that end, the Court will allow parties to divide their oral argument among two attorneys. Of course, the ultimate decision of who speaks on behalf of the client is for the client and not the Court.

IV. COURTROOM DECORUM & CIVILITY

The Court expects that everyone in the courtroom be treated with dignity and respect at all times.³ This requires, at a minimum:

- Punctuality for all court appearances.
- Civility and professionalism in all oral and written communication, including:
 - Referring to and addressing witnesses, counsel, parties, and court personnel by their surnames, pronouns, and honorifics, unless leave to do otherwise is granted.
 - Communicating respectfully with court marshals, court clerks, court reporters, assistants, law clerks, and other courthouse staff.
 - Refraining from interrupting any other person in the courtroom when someone else is speaking.
 - Refraining from making gestures, facial expressions, or audible

³ For more detailed guidance, counsel are advised to refer to the Central District of California's Civility and Professionalism Guidelines, which can be found at <http://www.cacd.uscourts.gov/attorneys/admissions/civility-and-professionalism-guidelines>.

1 comments as manifestations of approval or disapproval of testimony
2 or argument.

- 3 • Thorough preparation for all court hearings and sensitivity to the time
4 constraints and pressures on jurors and court staff.

5 Litigants and counsel may indicate their pronouns and honorifics by filing a
6 letter, adding the information in the name block or signature line of the pleadings,
7 or by verbally informing the Court when making an appearance.

8 **V. SCHEDULING CONFERENCE AND RULE 26(F) MEETING OF COUNSEL**

9 This Court hears status conferences and scheduling conferences on
10 Thursdays at 10:00 a.m. Pursuant to Federal Rules of Civil Procedure 16(b) and
11 26(f), the Court will issue an Order Setting a Scheduling Conference. Counsel shall
12 meet no later than twenty-one (21) days prior to the court-ordered Scheduling
13 Conference pursuant to Federal Rule of Civil Procedure 26(f) and applicable Local
14 Rules. This meeting may occur telephonically and need not occur in person. A
15 written exchange of correspondence will not satisfy this requirement.

16 **VI. ALTERNATIVE DISPUTE RESOLUTION**

17 As stated in Local Rule 16-15, the parties in every case must participate in a
18 Settlement Conference or Alternative Dispute Resolution (“ADR”) procedure. **The**
19 **Court will not hold a final pretrial conference or convene any trial unless**
20 **and until all parties, including the principals of all corporate parties, have**
21 **completed ADR.** This Court participates in the Court-Directed ADR Program
22 whereby the Court refers the parties to the magistrate judge, the Court Mediation
23 Panel, or to private mediation. *See* General Order 11-10, §5.1. If a Notice to
24 Parties of Court-Directed ADR Program (ADR-08) has been filed in this case,
25 counsel must furnish and discuss it with their clients in preparation for the Fed. R.
26 Civ. P. 26(f) conference. In their Joint Rule 26(f) Report, counsel should indicate
27 their preferred ADR procedure. The Court will refer the case to a procedure at the
28 initial scheduling conference. More information about the Court’s ADR Program,

the Mediation Panel, and mediator ^{#82}profiles is available on the Court's website.

VII. JOINT RULE 26(F) REPORT

Unless otherwise ordered, no later than fourteen (14) days before the Scheduling Conference, counsel shall file a Joint Rule 26(f) Report. A Joint Rule 26(f) Report which is not timely filed or does not conform with this Order, Federal Rule of Civil Procedure 26(f), and applicable Local Rules may result in the assessment of sanctions. The Joint Rule 26(f) Report shall address the matters set forth in Federal Rule of Civil Procedure 26(f), as well as those enumerated in the Court's Order Setting Scheduling Conference.

VIII. DISCOVERY

All discovery matters are referred to the assigned Magistrate Judge. Proposed protective orders must also be submitted to the Magistrate Judge. The Magistrate Judge's initials follow the District Judge's initials next to the case number. All discovery documents must include the words "DISCOVERY MATTER" in the caption to ensure proper routing. Please do not deliver courtesy copies of discovery documents to Judge Vera's chambers.

In accordance with 28 U.S.C. § 636(b)(1)(A), the Magistrate Judge's decision shall be final, and this Court will not reverse any order of the magistrate judge unless it has been shown that the Magistrate Judge's order is clearly erroneous and contrary to law. Any party may file and serve a motion for review and reconsideration before this Court. *See* Local Rule 72-2. The moving party must file and serve the motion within fourteen (14) days of service of a written ruling or an oral ruling that the Magistrate Judge states will not be followed by a written ruling. The motion must specify which portions of the ruling are clearly erroneous and contrary to law, and the claim must be supported by points and authorities. Counsel shall provide the Magistrate Judge with chambers copies of the moving papers and responses consistent with the corresponding judge's procedures.

\\

IX. MOTIONS – GENERAL REQUIREMENTS

A. Pre-Filing Requirement. Counsel shall meet and confer pursuant to Local Rule 7-3, which requires “counsel contemplating filing of any motion” to “first contact opposing counsel to discuss thoroughly, preferably in person, the substance of the contemplated motion and any potential resolution.” The parties must discuss in real-time all issues to be raised in the motion, as well as the law and evidence relevant to those issues, so that the parties’ briefing reflects that they are fully cognizant of the other side’s position(s). Counsel should discuss the issues sufficiently such that if a motion is still necessary, the briefing may be directed to those substantive issues requiring resolution by the Court. Counsel should resolve minor procedural or other non-substantive matters during the conference. The notice of motion or other request must include a statement of compliance with Local Rule 7-3. The Court may strike or outright deny a motion or other relief if counsel fails to meet and confer in good faith. Moreover, if the briefing reveals that the parties have not sufficiently conferred with respect to the issues and position(s) presented, the motion shall be stricken.

B. Time for Filing and Hearing Motions. Motions shall be filed in accordance with Local Rules 6 and 7. This Court hears civil motions on Thursdays at 10:00 a.m. If Thursday is a national holiday, motions will be heard on the next Thursday. It is not necessary to clear a hearing date with Judge Vera’s Courtroom Deputy Clerk before filing a motion. For all motions, if the motion date selected is not available, the Court will issue a minute order continuing the date. Closed motion dates can be found on Judge Vera’s Procedures and Schedules page.

C. Length and Format of Motion Papers. Pursuant to Local Rule 11-6, Memoranda of Points and Authorities in support of or in opposition to motions shall not exceed twenty-five (25) pages absent leave of Court. Replies shall not exceed ten (10) pages. Only in rare instances and for good cause will the Court grant an application to extend these page limitations. Pursuant to Local Rule 11-8,

all Memoranda of Points and Authorities exceeding ten (10) pages must be accompanied by a Table of Authorities and a Table of Contents. All briefing must use Times New Roman or Courier font. Text must be no less than twelve (12) point font; footnotes shall be no less than ten (10) point font and shall be used sparingly.

Counsel shall adhere to Local Rule 5-4.3 with respect to the conversion of all documents to PDF format so that when a document is electronically filed, it is in proper size and is text-searchable. Further, all documents shall be filed in a format so that text can be selected, copied, and pasted directly from the document. See Local Rule 5-4.3.1.

D. Citations to Case Law. Citations to case law must identify the case cited and the specific page referenced. For example, if a quotation is presented, the associated page citation shall be provided. Similarly, if a case is cited in support of a proposition based on language in the opinion, the page on which such language appears shall be provided. String cites are disfavored, but, if necessary, should include a parenthetical explaining the relevant ruling in each cited case. Bluebook style is required.

E. Citations to Other Sources. Statutory references must identify with specificity the sections and subsections referenced. Citations to treatises, manuals, and other materials should include the volume, section, and pages being referenced. Citations to prior filings in the same action shall include the docket entry number, section, and pages referenced. Again, Bluebook style is required.

F. Oral Argument. The Court strongly prefers counsel to appear in person for motion hearings and pretrial and settlement conferences. Requests for a remote appearance will only be considered upon a written application filed at least three (3) days before the hearing and supported by an appropriate declaration establishing good cause. If the Court deems a matter appropriate for decision without oral argument, the Court will take the matter under submission and notify

1 the parties before the hearing.

2 **X. MOTIONS – SPECIFIC REQUIREMENTS**

3 **A. Motions Pursuant to Federal Rule of Civil Procedure 12.** Many
4 motions to dismiss or strike can be avoided if the parties confer in good faith as
5 required by Local Rule 7-3, especially for perceived defects in a complaint,
6 answer, or counterclaim that can be corrected by amendment. *See Polich v.*
7 *Burlington Northern, Inc.*, 942 F.2d 1467, 1472 (9th Cir. 1991) (noting that where
8 a motion to dismiss is granted, a district court should grant leave to amend unless it
9 is clear the complaint cannot be saved by amendment). Moreover, a party has the
10 right to amend the complaint “once as a matter of course at any time before a
11 responsive pleading is served.” FED. R. CIV. P. 15(a). Even after a complaint has
12 been amended or a responsive pleading has been served, the Federal Rules of Civil
13 Procedure provide that leave to amend should be “freely given when justice so
14 requires.” FED. R. CIV. P. 15(a). Indeed, the Ninth Circuit requires that this
15 policy favoring amendment be applied with “extreme liberality.” *Morongo Band of*
16 *Mission Indians v. Rose*, 893 F.2d 1074, 1079 (9th Cir. 1990).

17 Consequently, parties should carefully consider and weigh an opponent’s
18 contentions as to the deficiencies in a pleading. The Court expects that, in most
19 instances, the parties will agree to any amendment that would cure the defect.

20 **B. Motions to Amend.** In addition to the requirements of Local Rule
21 15-1, all motions to amend pleadings shall: (1) state the effect of the amendment;
22 (2) be serially numbered to differentiate the amendment from previous
23 amendments; and (3) identify the pages, line numbers, and wording of any
24 proposed change or addition of material.

25 Counsel shall electronically file a “Notice of Lodging” attaching the proposed
26 amended pleading as a document separate from the motion, as well as a “redlined”
27 version of the proposed amended pleading identifying all additions and deletions
28 of material as an appendix to the moving papers.

1 **C. Motions In Limine.** Motions in limine shall be noticed for hearing no
2 later than four (4) weeks before the Final Pretrial Conference date.

3 **D. Motions for Class Certification.** Counsel in putative class actions
4 shall commence litigation promptly and begin discovery immediately so that the
5 motion for class certification can be filed expeditiously. This Court requires an
6 extended briefing schedule for motions for class certification. Parties are advised
7 to refer to the Court's Order Setting Scheduling Conference for additional
8 guidance as to filing and timing of motions for class certification.

9 **E. Motions for Summary Judgment.** No party may file more than one
10 motion pursuant to Federal Rule of Civil Procedure 56, regardless of whether
11 such motion is denominated a motion for summary judgment or summary
12 adjudication. The parties shall not attempt to evade the page limitations for briefs
13 by filing multiple motions. If a party believes this is one of the rare instances in
14 which good cause exists for more than one motion for summary judgment or to
15 increase page limits, the party shall seek leave by noticed motion setting forth a
16 detailed showing of good cause. Pursuant to Federal Rule of Civil Procedure
17 56(f), when appropriate, based on undisputed facts and controlling principles of
18 law, the Court may *sua sponte* enter summary judgment in favor of the
19 non-moving party.

20 The Court will not entertain cross-motions that seek to adjudicate the same
21 legal issues. If parties wish to cross-move for summary judgment, their counsel
22 shall meet and confer to determine which party will move and which will oppose
23 the one motion for summary judgment.

24 Parties need not wait until the motion cutoff date to bring motions for
25 summary judgment or partial summary judgment. The hearing on any such motion
26 shall be set for a date in advance of the Final Pretrial Conference.

27 This Court requires an *extended and modified briefing schedule* for motions
28 for summary judgment, as set forth below:

- #87
- 1 • *Motions for Summary Judgment*: No later than sixty-three (63) calendar
2 days before the hearing on the motion, the moving party shall provide to
3 the non-moving party an electronic copy of the opening brief, together with
4 the moving party's portion of the evidentiary appendix and joint appendix
5 of undisputed and disputed facts.
 - 6 • *Opposition*: No later than fourteen (14) calendar days *after receipt of the*
7 *opening brief*, the non-moving party shall provide the moving party with
8 an electronic copy of the integrated motion, which shall include the
9 opposing party's portion of the joint brief, together with the opposing
10 party's portion of the evidentiary appendix and joint appendix of
11 undisputed and disputed facts.
 - 12 • *Reply*: No later than seven (7) calendar days after receiving the integrated
13 version of the motion and related papers, the moving party shall file the
14 joint brief with the Court. The moving party shall not make further
15 revisions to the joint brief other than submitting their Reply and finalizing
16 the document for filing.

17 ***The above briefing schedule is the default for summary judgment motions.***

18 The parties may stipulate to a modified schedule that is reasonable for all parties.
19 Any briefing schedule must provide the Court at least forty-two (42) days between
20 the Reply deadline and the hearing date.

21 If the ***moving*** party is a self-represented litigant, the parties shall file their
22 briefs pursuant to the briefing schedule above but will not be required to submit
23 joint briefing. If the ***non-moving*** party is a self-represented litigant, the
24 represented moving party shall manage the integration and compilation of both
25 parties' portions of the joint brief, including, but not limited to, Word processing.
26 Pro se parties are expressly advised that, pursuant to *Rand v. Rowland*, 154 F.3d
27 952, 962–63 (9th Cir. 1998) (en banc), and *Woods v. Carey*, 684 F.3d 934, 939–40
28 (9th Cir. 2012), he or she has the right to submit counter-declarations and any

1 other relevant evidence to oppose a Motion for Summary Judgment. Such party is
2 further advised that if he or she fails to rebut the moving party's version of the
3 facts with counter-declarations or other evidence, the Court may accept that party's
4 version of the facts as true and the claims against that party may be dismissed
5 without a trial. All declarations must be signed under penalty of perjury by persons
6 having personal knowledge of the facts stated in the declarations.

7 The parties should prepare papers in a fashion that will assist the Court in
8 processing and analyzing the volume of material (*e.g.*, tables of contents, headings,
9 indices, bookmarks in electronic documents, pinpoint citations, etc.). The parties
10 shall comply with Local Rules 56-1 and 56-2, in addition to the Court's additional
11 requirements described below.

12 1. Page Limitations

13 Each separately represented party shall be limited to twenty-five (25) pages,
14 exclusive of tables of contents and authorities. Leave for additional space will be
15 given only in extraordinary cases. Each party is limited to the use of a total of
16 eight footnotes.

17 2. Moving Party's Statement of Uncontroverted Facts and Genuine
18 Disputes

19 The joint statement of uncontroverted facts required under Local Rule 56-1
20 shall be prepared in a four-column table, as shown below. The first column sets
21 forth the allegedly undisputed fact, along with the evidence that supports the
22 factual statement. The factual statements should be set forth in sequentially
23 numbered paragraphs. Each paragraph should contain a narrowly focused
24 statement of fact. Each numbered paragraph should address a single subject as
25 concisely as possible. The second column should list whether the allegedly
26 undisputed fact is disputed or undisputed by the opposing party. The third column
27 should contain additional information regarding the basis for any dispute. If the fact
28 is undisputed, no further response is required. The non-moving party may dispute

all or only a portion of the statement but, if disputing only a portion, it must clearly indicate what portion is being disputed, followed by a brief citation to the non-moving party's evidence controverting the fact. To demonstrate that a fact is disputed, the non-moving party must briefly state why it disputes the moving party's asserted fact, cite to the relevant exhibit or other evidence, and describe the reason(s) the exhibit or evidence refutes the asserted fact. No legal argument should be set forth in this document. In the fourth column, the moving party may provide a response to the opposing party's reason for dispute, including any reason why the evidence cited by the opposing party does not create a genuine dispute and/or any additional evidence relevant to the asserted fact. All facts asserted by either party, whether disputed or undisputed, and all supporting evidence cited, shall be included in the response. Do not repeat descriptions of and citations to the evidence. If you have already described and cited the evidence once, simply refer to the earlier citation succinctly (*e.g.*, "*See supra* Fact # 1").

Undisputed Fact	Status	Opposition	Reply
1. Mike and Jane signed a contract for the sale and purchase of property. Smith Decl. (Dkt. No 61-2) ¶ 5, Ex. 6.	Undisputed	N/A	N/A
2. Jane mailed the contract in May 2017. Smith Decl. ¶ 8, Ex. 21.	Disputed	Disputed as to date. Jane testified she mailed the contract in June 2017. Jane Depo. at 3:4-10	Jane testified later that although she initially stated that she mailed the contract in June 2017, she misspoke and clarified that she had actually mailed the contract in May 2017.

Statements of Uncontroverted Facts and Genuine Disputes shall also be in Excel, have all restrictions removed so the spreadsheets can be edited, and be

#90
emailed to the Court's chambers email address at

HDV_Chambers@cacd.uscourts.gov.

3. Statements of Uncontroverted Facts and Genuine Disputes

The non-moving party may submit additional material facts that bear on or relate to the issues raised by the moving party, which shall be set forth in a separate joint statement of uncontroverted facts and follow the format described above for the moving party's separate statement. These additional facts shall continue in sequentially numbered paragraphs with the evidence that supports each statement set forth in the right column.

With its Reply, the moving party shall identify whether the allegedly undisputed fact presented by the non-moving party is disputed or undisputed by the moving party. The statement shall include additional information regarding the basis for any dispute. If the fact is undisputed, no further response is required. Parties are required to also submit any Statements of Uncontroverted Facts and Genuine Disputes in Excel, have all restrictions removed so the spreadsheets can be edited, and be emailed to the Court's chambers email address at HDV_Chambers@cacd.uscourts.gov.

4. Conclusions of Law

Each Statement of Uncontroverted Facts and Genuine Disputes shall be followed by a "Conclusions of Law" section, consisting of a chart with two columns. The party presenting each set of allegedly uncontroverted facts shall set forth each conclusion of law, followed by the number of each relevant fact, as follows:

Conclusions of Law	Relevant Facts
Plaintiff's claim for ____ is barred by the applicable statute of limitations.	Facts 1, 3, 4
Plaintiff cannot prove ____.	Facts 5, 7, 9

5. Supporting Evidence

The joint brief shall be accompanied by one separate, tabbed appendix of declarations and written evidence (including documents, photographs, deposition excerpts, etc.). *See* Local Rule 7-6. The joint brief and its supporting materials shall be submitted as one CM/ECF filing, with each declaration or item of evidence submitted as a separate attachment to the CM/ECF filing. The evidentiary appendix shall include a table of contents. No party shall submit evidence other than the specific items of evidence or testimony necessary to support or controvert a proposed statement of undisputed fact. For example, entire deposition transcripts, entire sets of interrogatory responses, and documents that do not specifically support or controvert material in the separate statement shall not be submitted in support of or in opposition to a motion for summary judgment.

Evidence submitted in support of or in opposition to a motion for summary judgment should be submitted either by way of stipulation or as exhibits to declarations sufficient to authenticate the proffered evidence and should not be attached to the memorandum of points and authorities. Documentary evidence for which there is no stipulation regarding foundation must be accompanied by the testimony, either by declaration or properly authenticated deposition transcript, of a witness who can establish authenticity.

6. Objections to Evidence

If a party disputes a fact based in whole or in part on an evidentiary objection, the ground for the objection should be stated succinctly in a separate statement of evidentiary objections in a two-column format. The left column should identify the items objected to (including page and line number if applicable) and the right column should set forth a concise objection (*e.g.*, hearsay, lack of foundation, etc.) with a citation to the Federal Rules of Evidence or, where applicable, a case citation. A proposed order shall be filed and attached to the evidentiary objections as a separate Word document consistent with Local Rule 52-4.1 and emailed

#92
directly to the Court's chambers email address at

HDV_Chambers@cacd.uscourts.gov.

F. Motions for Attorneys' Fees: Motions for attorneys' fees shall be electronically filed and set for hearing according to Local Rule 6-1 and this Order. Any motion or request for attorneys' fees shall attach two summaries, in table form, of the hours worked by and billing rate of each attorney with title (*e.g.*, partner, counsel, associate, etc.).

The first table shall include a summary of the hours worked by each attorney, organized by task (*e.g.*, discovery, motion to dismiss, motion for summary judgment). The second table shall include a summary of the hours worked by each attorney, organized by attorney. Both tables shall list all the tasks on which the attorney worked, the hours worked on each task, and the hourly rate of each attorney. If the hourly rate charged by any individual attorney changed while the action was ongoing, the party shall provide separate calculations for the total number of hours the attorney spent in connection with each task at each hourly rate.

All tables shall be attached to the motion and electronically filed. The courtesy copies of the tables shall be prepared in Excel, have all restrictions removed so the spreadsheets can be edited, and be emailed to the Court's chambers email address at HDV_Chambers@cacd.uscourts.gov.

G. Under Seal Filings. The Court requires strict compliance with Local Rule 79-5, which governs applications to file documents under seal. Local Rule 79-5.2.2 explains how to apply to file under seal and how to proceed if leave is granted.

There is a strong presumption of access in civil actions. *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003). Parties that submit frivolous motions to seal or overly broad motions will be subject to sanction.

When submitting a motion to seal, the filing party must state whether the

1 compelling reasons or good cause standard applies and explain why. *See Center for*
2 *Auto Safety v. Chrysler Group, LLC*, 809 F.3d 1092, 1099 (9th Cir. 2016). The
3 party must identify and discuss the factual and/or legal justification that establishes
4 “good cause” or “compelling reasons” for the information to be protected.

5 The filing party must make a specific showing explaining why each document
6 that it seeks to seal may justifiably be sealed and why the proposed redactions are
7 as narrowly tailored as possible, rather than making a blanket statement about the
8 grounds for sealing. Generic and vague references to “competitive harm” are
9 almost always insufficient justification for sealing. If a party files a request to seal
10 that is significantly overbroad and/or does not provide adequate reasons for
11 concealing information from the public, the party bears the risk that the Court will
12 simply deny the request in its entirety and place all documents sought to be sealed
13 on the public docket.

14 Documents that are not confidential or privileged in their entirety should not
15 be filed under seal if the confidential portions can be redacted and filed separately
16 with a reasonable amount of effort. The parties should file a complete version of
17 the documents under seal and a redacted version for public viewing, omitting only
18 the portions that the Court has authorized to be filed under seal.

19 Sealing must be justified for each individual item—blanket claims of
20 confidentiality will result in the application to seal being denied. Counsel must
21 consider carefully whether sealing or redaction is absolutely required for a given
22 piece of evidence or argument. An application to seal that includes meritless
23 requests to seal or redact documents will be denied. The parties also must meet and
24 confer before filing an application to seal.

25 An application to seal that includes meritless requests to seal or redact
26 documents will be denied. If a party files an application to seal that includes
27 meritless requests to seal or redact documents, the party bears the risk that the
28 Court will simply deny the request in its entirety and place all documents sought to

#94
be sealed on the public docket. The parties also must meet and confer before filing an application to seal.

XI. PROPOSED ORDERS

Each party filing or opposing a motion or seeking the determination of any matter shall serve and electronically lodge a proposed order setting forth the relief or action sought and a brief statement of the rationale for the decision with appropriate citations. In addition, a copy of the proposed order in Word format shall be emailed directly to the Court's chambers email address at HDV_Chambers@cacd.uscourts.gov on the day the document is electronically filed.

XII. CHAMBERS COURTESY COPIES OF MOTION-RELATED DOCUMENTS

The Court requires chambers copies of all e-filed *motion-related* documents. (*i.e.*, moving papers, oppositions and replies), as well as all associated exhibits. The Court *no longer requires* chambers copies for any other e-filed documents. Chambers copies should be delivered to Judge Vera's chambers copy box located outside of the Clerk's Office on the fourth floor of the First Street Courthouse (350 W. 1st Street, Los Angeles, California 90012). Mandatory chambers copies must be delivered by no later than *noon on the following business day* after filing, and shall be "binder ready" (*i.e.*, three-hole punched on the left side, without blue-backs or staples, and with any exhibits tabbed).

Additionally, *for motions for summary judgment only*, parties should submit **two paper copies** of all Motion for Summary Judgment filings to Judge Vera's mailbox on the fourth floor of the First Street Courthouse. Pro se parties are exempt from this requirement.

Excel files prepared in support of motions for attorneys' fees (*see supra* Section X.F) and proposed orders in Word format (*see supra* Section XI) should be submitted to the Court's chambers email address at HDV_Chambers@cacd.uscourts.gov.

XIII. EX PARTE APPLICATIONS

Ex parte applications are solely for extraordinary relief and are rarely granted. All ex parte applications must be sent in PDF version to HDV_chambers@cacd.uscourts.gov along with a Word version of the proposed order. Both the e-mail to the Court and the application should advise whether opposing counsel will be filing an opposition. Ex parte applications that fail to conform to Local Rule 7-19 will not be considered, except on a specific showing of good cause.

Counsel for the applicant must provide advance notice of the application by telephone and email to all other parties. In addition to the information required by Local Rule 7-19.1, the notice must advise the other parties of the anticipated deadline to oppose the application. The applicant must serve the application by facsimile, email, or personal service, even if electronic service is effected under Local Rule 5-3.2.1.

Oppositions to ex parte applications must be filed within 24 hours of the filing of the application, subject to Rule 6(a)(2). If an opposing party does not intend to oppose the ex parte application, counsel must inform the Courtroom Deputy Clerk by email as soon as possible.

XIV. CONTINUANCES

Counsel requesting a continuance must lodge, prior to the date to be continued, a proposed stipulation and order including a detailed declaration of the grounds for the requested continuance or extension of time. Counsel shall avoid submitting requests for continuance or extension of time less than five (5) court days prior to the expiration of the scheduled date. The Court grants continuances only upon a showing of good cause, focusing on the diligence of the party seeking the continuance and any prejudice that may result if the continuance is denied. Counsel are required to first meet and confer with opposing counsel regarding the substance of the continuance and include a statement of compliance with Local

#96
Rule 7-3. Failure to meet and confer in good faith in compliance with the Local Rules and this Order may result in denial of the request for continuance.

XV. ELECTRONIC FILINGS

Counsel shall e-file all civil and criminal filings pursuant to Federal Rules of Civil Procedure 5(d)(3) and Local Rule 5-4 as follows:

- All non-signature items shall be *e-filed* in PDF format. All proposed signature items shall be e-filed as an attachment to the main document in PDF format.
- All proposed signature items shall be *emailed* to the Courtroom Deputy Clerk's email address at HDV_Chambers@cacd.uscourts.gov in Word format. *Only* proposed order signature items should be emailed to the chambers' email address. Do not email other associated documents and do not use this email address for communication with the Court or the Courtroom Deputy.

Note for Parties Who Do Not Have an Attorney: Pro se litigants—that is, parties who are not represented by an attorney—may submit documents for filing through the Court's Electronic Document Submission System ("EDSS") instead of mailing or bringing documents to the Clerk's Office. Only internet access and an email address are required. Documents are submitted in PDF format through an online portal on the Court's website. To access EDSS and for additional information, visit the Court's website at <https://apps.cacd.uscourts.gov/edss>.

XVI. COMMUNICATIONS WITH CHAMBERS

Counsel must not attempt to contact the Court or chambers staff by email, telephone, or by any other ex parte means. Counsel may, for appropriate matters only, contact the Courtroom Deputy via the Court's chambers email at HDV_Chambers@cacd.uscourts.gov. Counsel must not contact the Courtroom Deputy regarding the status of any matter before the Court. Calls or emails regarding the status of submitted motions, stipulations, or proposed orders will not be returned. Counsel may determine the status of any submitted motion, stipulation, or proposed order by accessing the docket sheet through PACER,

1 which can be accessed via the Central District of California website. Counsel must
2 include on all papers their email address, telephone number, and fax number to
3 facilitate communication with the Courtroom Deputy.
